GOVERNMENT OF PUDUCHERRY
DEPARTMENT OF REVENUE AND
DISASTER MANAGEMENT
(SURVEY, SETTLEMENT AND LAND RECORDS)

(G.O. Ms. No. 1/DSLR/2012, dated 27th April 2012)

ORDER

The Government of India has proposed an innovative programme namely National Land Records Modernisation Programme (NLRMP) involving

high-end technologies with the support of expert organisations like Survey of India (SoI), Indian Space Research Organisation (ISRO), National Remote Sensing Centre (NRSC), National Informatics Centre (NIC), Centre for Development of Advanced Computing (CDAC), etc., of national reputation. NLRMP aims to achieve real time, up-to-date land records with the ultimate aim of ushering in the system of conclusive titles.

2. The objective of the NLRMP is to develop a modern, comprehensive and transparent land records management system in the country with the aim to implement the conclusive land-titling system with title guarantee, which will be based on four basic principles, *i.e.*, (i) a single window to handle land records including the maintenance and updating of textual records, maps, survey and settlement operations and registration of immovable property, (ii) the "Mirror" principle, which refers to the fact that cadastral records mirror the ground reality, (iii) the curtain principle which indicates that the record of title is a true depiction of the ownership status, mutation is automated and automatic following registration and the reference to past records is not necessary, and (iv) title insurance, which guarantees the title for its correctness and indemnifies the title holder against loss arising on account of any defect therein.

3. The scope of the NLRMP is as follows:-

(I) *Computerisation of land records :*

(a) Data entry/re-entry/data conversion of all textual records including mutation records and other land attributes data.

(b) Digitisation of resurvey maps.

(c) Integration of textual and spatial data.

(d) Taluk, Sub-division/District computer centres.

(e) State-level data centres.

(f) Inter-connectivity among the Offices of the Registration, Survey and Land Records, Taluk Offices, etc.,

(II) *Survey/Resurvey and updating of the survey and settlement records (including ground control network and ground truthing) using the following modern technology options:*

(a) Pure ground method using Total Station (TS) and Differential Global Positioning System (DGPS).

(b) Hybrid methodology using aerial photography and ground truthing by TS and DGPS.

(c) High Resolution Satellite Imagery (HSI) and ground truthing by TS and DGPS.

(III) *Computerisation of registration :*

(a) Computerisation of the Sub-Registrar's Offices (SROs).

(b) Data entry of valuation details.

(c) Data entry of legacy encumbrance data.

(d) Scanning and preservation of old documents.

(e) Connectivity of Sub-Registrar's Offices (SROs) with the Offices of the District Registrar/Registration Department, Survey and Land Records, Taluk Offices, etc.

(IV) *Modern record rooms/Land records management centres at Taluk/Subdivision/District level :*(V) *Training and capacity building :*

(a) Training, workshops, etc.

(b) Strengthening of the Survey and Revenue Training Institutes.

(VI) *Core Geographical Information System (GIS) :*

(a) Village index base maps by geo-referencing resurvey maps with satellite imagery, for creating the core GIS.

(b) Integration of three layers of data : (i) Spatial data from aerial photography or high-resolution satellite imagery ; (ii) Survey of India and forest survey of India maps; and (iii) GIS- ready digitised resurvey maps from revenue records. Basic plot-wise data be created so that seamless integration would be possible for micro and macro-planning and other relevant applications.

(VII) *Legal changes :*

(a) Amendments to the Registration Act, 1908.

(b) Amendments to the Indian Stamp Act, 1899.

(c) The Puducherry Survey and Boundaries Act, 1967.

(d) The Puducherry Settlement Act, 1970.

(e) Law for conclusive titling.

(f) Other legal changes.

(VIII) *Programme management :*

(a) Core Technical Advisory Group at Union Territory level.

(b) Programme Management unit in the Union Territory.

(c) Information, Education and Communication (IEC) activities.

(d) Evaluation.

4. As the implementation of NLRMP, involves high-end technologies and special skills, Government of India held many discussions about this programme with various States and Union Territories. During the discussions, most of the States have suggested that there shall be a single agency at State level/Union Territory level to coordinate implementation of various components of NLRMP, as it envisages functional integration of various departments/offices of the States dealing with the land records namely Registration, Revenue, Survey, Taluk Offices, etc. As the programme is highly technical in nature and there is a shortage of requisite expertise, states desired to hire technical persons for better implementation of the NLRMP. As NLRMP is a Centrally Sponsored Scheme, funds are being provided to the States/ Union Territory by the Department of Land Resources. States further release these funds to the implementing agencies. The Government of India felt that there has been huge delay in the release of funds to these implementing agencies. For expediting the implementation of NLRMP, there has been request from many States to constitute special purpose vehicle. Accordingly, Government of India has decided to encourage States/ Union Territories to constitute Project Management Unit (PMU) in the form of registered societies at the State/Union Territory level. The Ministry of Rural Development, Department of Land Resources, Government of India *vide* D.O. Letter No. 13014/4/2007-LRD, dated 2nd August 2011, have also communicated guidelines for constitution of such Project Management Unit. In consonance with the said guidelines and in order to implement the National Land Records Modernization Programme, the Council of Ministers by circulation have approved the proposal of establishment of Project Management Unit in the form of Society with the name of "Puducherry National Land Records Modernization Programme Management Unit" *vide* I.D.No.3628/CM/ PS/2012, dated 10-4-2012 of Office of the Chief Minister.

5. Therefore, sanction of His Excellency the Lieutenant-Governor is hereby accorded to establish a Project Management Unit (PMU) giving it the status of a Society under the Societies Registration Act, 1860 in the name of "Puducherry National Land Records Modernization Programme Management Unit" with the abbreviation as "PNMU" for achievement of scope and objects detailed in pre-paras relating to modernization of land records and implementation of NLRMP successfully in the Union territory of Puducherry.

(By order)

GIDDI MRUTHYUNJAYA DURGA RAO,
 Under Secretary to Government (DP&AR).

GOVERNMENT OF PUDUCHERRY
DEPARTMENT OF PERSONNEL AND
ADMINISTRATIVE REFORMS (PERSONNEL WING)

(G.O. Ms. No. 44, dated 30th April 2012)

ORDER

In the G.O. Ms. No. 22, dated 27-2-2009 of Department of Personnel and Administrative Reforms (Personnel Wing), Puducherry, the Government of Puducherry have framed the scheme, viz.

“The Government of Puducherry Casual Labourers (Engagement and Regularisation) Scheme, 2009” to consider as a one-time measure the engagement and regularisation of full-time and part-time casual labourers in the Government departments and their attached subordinate offices. The said scheme was also upheld by the Hon'ble Bench of High Court of Judicature at Madras *vide* its order dated, 23-12-2010 in a batch of writ petitions filed before them. As per the provisions of the said scheme, wherever absorption is provided as a method of recruitment in the recruitment rules, the vacancies existing in the relevant post as on the date of notification of the said scheme and also 25% of the future vacancies shall be filled by absorption of full-time casual labourers available in the list of the concerned department. Accordingly, it is mandatory to fill up all the existing vacancies (100%) in the erstwhile Group 'D' posts as on the date of notification of the said scheme and 25% of the future vacancies by absorption of full-time casual labourers available in the list who possess or do not possess the minimum qualification of S.S.L.C./Matriculation or I.T.I.

2. As per the note 1 below rule 7 of the Central Civil Services (Revised Pay) Rules, 2008 notified in the G.O. Ms. No. 52/F3/08, dated 14-9-2008 of Finance Department, Puducherry, the pay of the erstwhile Group “D” employees in the revised pay structure shall be fixed initially in the-1S Pay Band with appropriate Grade Pay and thereafter the pay of such of those Group “D” employees who already possess the revised minimum qualification of S.S.L.C./Matriculation or I.T.I. would be fixed in Pay Band-I with Grade Pay of ₹ 1,800. The Group “D” employees who do not possess the minimum qualification would be retrained and after retraining, they would also be placed in the Pay Band of PB-1 with Grade Pay of ₹ 1,800 with effect from 1-1-2006. Accordingly all the Group “D” pay scales in the Government shall stand upgraded to Group “C” along with incumbents (after suitable retraining, wherever required). In so far as future recruitment is concerned, no direct recruitment in the-1S Scale will take place and the minimum grade in which all future recruitment takes place will be the PB-1 (Group “C”) Pay Band of ₹ 5,200 - 20,200 with the Grade Pay of ₹ 1,800. However, in certain exceptional circumstances like compassionate case, etc., the Government may need to provide employment opportunities to certain class of persons not immediately meeting the minimum educational standards. The Government should recruit them as trainees who will be given regular Pay Bands and Grade Pay (PB-I) only on acquiring the minimum qualification prescribed under recruitment rules.

3. In accordance with the provisions of the said scheme which has been upheld by the Hon'ble High Court, Madras and in pursuance of the provisions of the said Central Civil Services (Revised Pay) Rules, full-time casual labourers (common category), numbering 413, who come under the cadre control of Department of Personnel and Administrative Reforms, have been offered appointment on 28-1-2010 in the regular erstwhile Group ‘D’ posts of Watchman/Sanitary Assistant/Sanitary Helper [now redesignated as Multi-tasking Staff (Security) and Multi-tasking Staff (Housekeeping) respectively] in the Pay Scale / Pay Band of ₹ 4,440-7,440 with Grade Pay of ₹ 1,300 initially in order to regulate their Pay Scale in PB-1 (₹ 5,200 - 20,200) with the Grade Pay of ₹ 1,800 in terms of the recommendations of VI Central Pay Commission. On the principle of equity, the full-time casual labourers who have been appointed in the regular erstwhile Group ‘D’ posts now stands Group ‘C’ posts, but do not possess the requisite educational qualification of S.S.L.C./Matriculation or I.T.I., may also, needs to be retrained and their pay may be regulated after getting them duly retrained.

4. The Department of Personnel and Training of Government of India earlier *vide* office memorandum, dated 12-9-2008 ordered that the wages of casual labourers with temporary status be paid wages worked out on the basis of the Pay Scales for Group ‘D’ employees as per-1S Pay Band and the corresponding Grade Pay. However, in its recent office memorandum, dated 23-1-2012 superseded the above office memorandum and ordered that in respect of those who are Matriculates, the wages may be worked out and paid on the basis of the Pay Band I with Grade Pay of ₹ 1,800 with effect from 1-1-2006. In case of similarly-placed non-matriculate temporary status casual labourers, the above benefit of wages with effect from 1-1-2006 may be extended only after imparting the requisite training.

5. In accordance with the provisions of the said scheme, dated 27-2-2009 which has been upheld by the Hon'ble High Court, Madras and in the light of the office memorandum of Department of Personnel and Training referred above, the Lieutenant-Governor, Puducherry is pleased to accord approval to regulate the pay of the erstwhile Group ‘D’ employees who have been absorbed in the regular posts of Watchman/Sanitary Assistant/Sanitary Helper [now redesignated as Multi-tasking Staff (Security) and Multi-tasking Staff (Housekeeping) respectively] under the cadre control of Department of Personnel and Administrative Reforms, from the list of full-time casual labourers (common category) notified under the said scheme, on the terms indicated below:
